What to Expect as a Solo Traveler or Chapter Adopters

Beta Alpha Psi Mid-Year and Annual Meetings

Chapter adopters and solo travelers attend the Affinity session before the meeting starts.

Start with a casual introduction:
"Hi, I'm Lisa — glad you came. Is this your first BAP event?"

Follow with: "Great. We'll do a quick intro so you can get to know everyone."

The chapter adopter pairs with the solo traveler and sits with him/her at breakfast and lunch on Saturday. Chapter adopters share which sessions to attend and invite the solo traveler to join them to attend the same sessions.

Prompt options

- "What year are you, and what are you recruiting for?"
- "What's one firm or company you're curious about?"
- "What's a class you survived recently?"
- "Turn to one person near you—3 minutes each. Share: name, year, what you're hoping to get out of BAP this semester."

If your group is going out on Friday night, invite the solo traveler to join you.

Include them in a group picture.

Follow up after the meeting. Connect on LinkedIn, exchange emails and ask if they are attending the BAP Annual Meeting in the summer.
