Information Management & Privacy — Summary

By providing information to Beta Alpha Psi (BAP), you allow BAP to use it to manage your membership, communicate with you, support events and activities, maintain alumni contact, assist with accommodations, and meet required governmental, grant, and IRS reporting obligations.

- Your information may be stored in BAP reporting systems and shared as described in the BAP Privacy Policy with the Executive Office, your local chapter, event organizers, alumni functions, and required governmental or grant bodies.
- BAP may use your email for membership-related communications and may identify students for employment opportunities and share a limited set of information with employers.
- BAP or your local chapter may publish member names, chapter projects, event information, and photos. If you do not want these details published, notify the Executive Office and your local chapter.
- Except as described in the Privacy Policy or required by law, BAP does not disclose personal information without consent.
- You may request access to or correction of your personal information through your local chapter reporting secretary.
