Update Chapter Profile Screen

Menu Bar Item: Reporting and Membership > View/Update Chapter Profile

Once logged in, the officer will access the Update Chapter Profile screen under Reporting and Membership and View/Update Chapter Profile.
The Chapter Profile screen is displayed in a tabbed format.

The tab titled “School” is where FAs and officers can update their school information such as a link to your chapter’s website, achievement level and school mailing address.

The red stars are required fields.

The tab labeled “Admin Only Fields” is for the Executive Office use only.
The tab titled “Chapter Officers” is where the officer information is updated. This is separate from the officer user accounts.

Select the name of the officer from the drop down list and the name, email and phone information will populate the fields for the appropriate role.

Note: the names on the drop down list are pulled from the “Submit for Initiation” and “Active Members” folders. The red stars are required fields. An officer must be a member or Submitted for Initiation.
View/Update Membership

Menu Bar Item: Reporting and Membership > Membership Roster > View/Update Membership

The Membership Roster screen is where reporters will add new candidates, submit them for initiation or move to the Inactive folder, and move Active members to On Leave or Alumni status.

There are two groupings on the Membership Roster:

**Candidates** section that includes folders for: Active Candidates, Submit for Initiation and Inactive Candidates.

**Members** section that includes folders for: Active Members, On Leave, and Alumni.
To add a new candidate select “Add New”. Do not add a candidate until your chapter has collected the $75 fee. Adding a candidate always creates a receivable for your chapter.
All fields that have a red star "*" are required fields. The Candidate start date is the date the student started participating (not the date that they are being entered into the system).

**Important:** Email address must be a valid email address. The system will not allow duplicate addresses.

Enter all the required information and select “Save”.
